"This is our 8th year at the Cherry Trees and it really does feel like home from home. The breakfasts were amazing with lots of choice. Nothing was too much trouble. All very clean which is very important to me. Very friendly and welcoming hosts. Beds and bedrooms very comfortable. Love Cherry Trees! See you next year!"

"We had a lovely time at Cherry Tree Guest House. Mel and Colin went out of their way to make sure we had a comfortable stay. A good place to stay to explore the beautiful cliffs of Eastbourne. Warm, comfortable and enjoyable stay (and a great breakfast)".
